small municipality, a grain of sand for an immense sea, the eldest son of Barbara and Ulicer, the one, who decided to be a social worker to fight for the interests of his people, the same one who today puts his name at the top of the pride.

At the age of 21, his talent was discovered by Félix Campañá, who would be his first coach. Without any experience, javelin in hand, he did not stop until he achieved his dream, which he overcame day after day.

Visually weak, that's how medicine categorized him, but what is a weakness where there is plenty of talent, where the effort does not cease.

"Ulices, you are our record".

record in the Parapan American Games, 61.11 was your mark, you broke the barrier of 60 meters and surpassed your personal goal.

We never doubted you, the people were with you and we will welcome you with open doors.

But this story is not about the record, it does not matter if there are medals, it is about you Ulicer Aguilera Cruz, how you have surpassed yourself, how you make your life a javelin that still has many records to break.

"Ulices, you are our record".
